PROJECTS

PPT to Video Creation with AI Voiceover, November 2024 - November 2024

- PPT to Video Conversion:

I carefully analyzed the PPT slides and organized the content into a logical sequence suitable for a video format.

Enhanced the visuals by adding smooth transitions, animations, and effects to make the video more engaging and visually appealing.

AI Voiceover Integration:

Selected a professional and clear AI voice that matched the tone and style of the presentation.

Synced the voiceover with the visuals, ensuring the narration aligned perfectly with the content on screen.

Adjusted the pacing and tone of the voiceover to maintain viewer interest and clarity.

Final Delivery:

Provided the client with a high-quality video file in their preferred format, ready for sharing or presentation.

Ensured the video was polished, with no errors in audio or visual synchronization.
